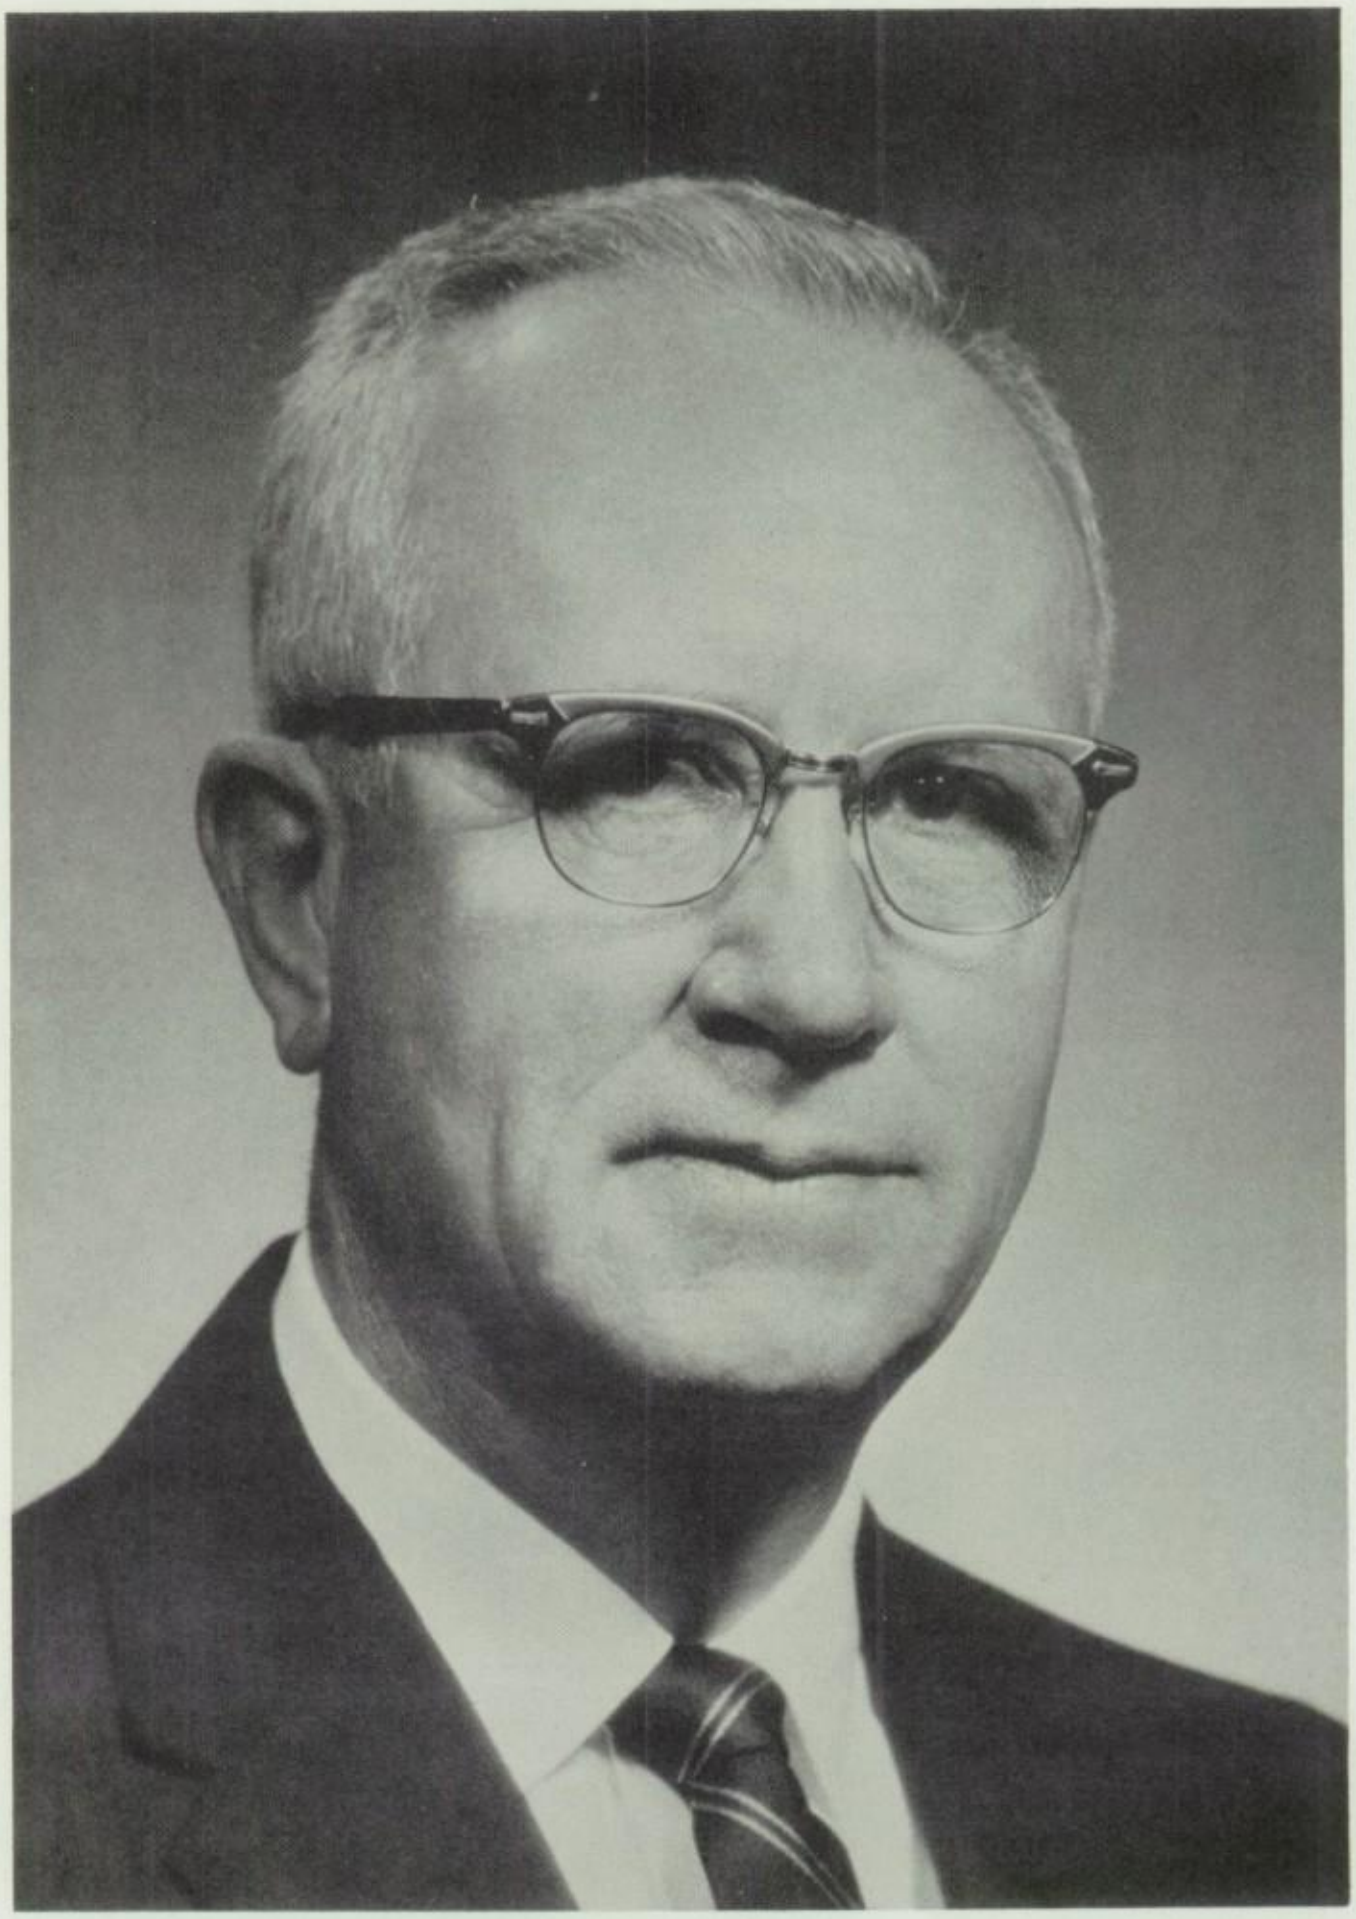
DEDICATION



JOHN W. ROBINSON, Principal 1956-1962

We, the class of 1962 dedicate our yearbook to Mr. John W. Robinson in appreciation for all he has done for us. During the six years that he has been principal of Hittle Township High School, he has been interested in the school and the activities of the community.

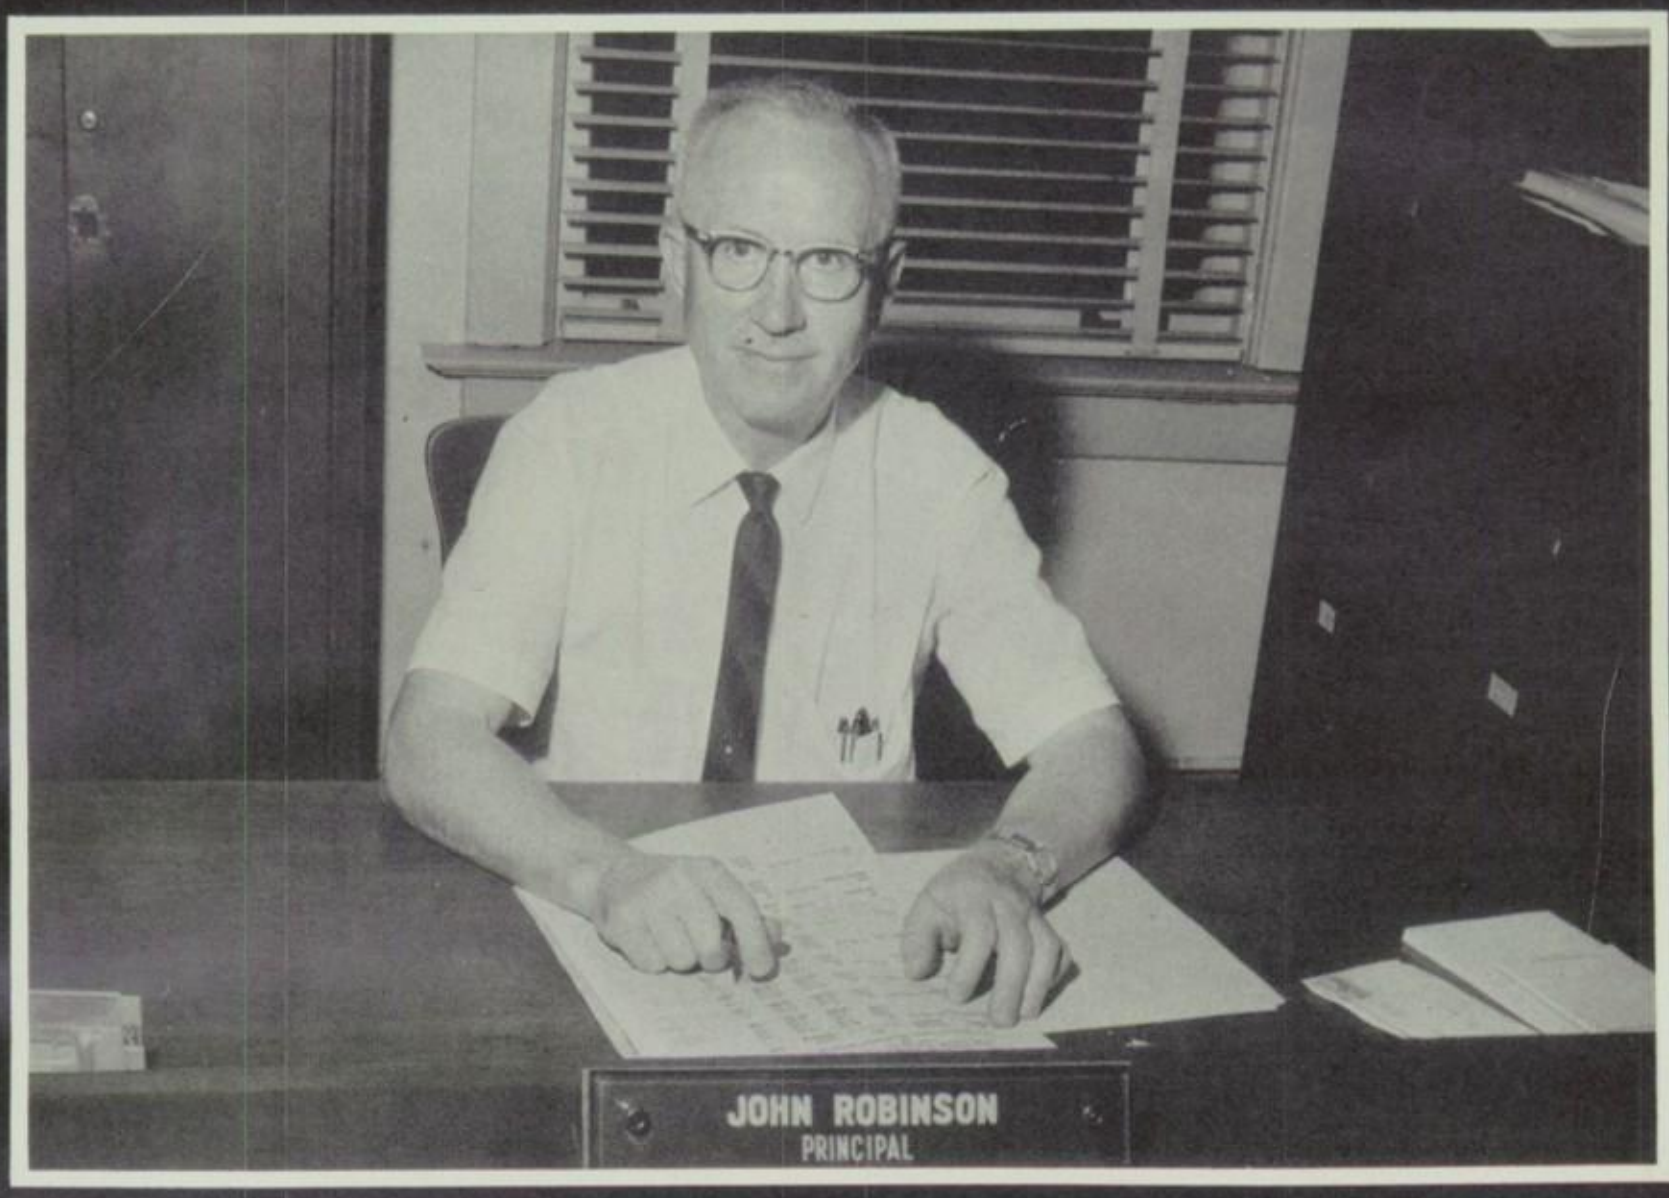
We take this opportunity to express in a small way our thanks to him.

Jim Walker, President of Student Council presents farewell gift to Mr. Robinson

Faculty entertains Mr. and Mrs. Robinson at dinner at Sinorak

Mr. Robinson presents his last graduating class

"A grain of sand falls -- a clock ticks -- that bit of time will not come again. Gone are the all-too-brief hours which drew us closer at H. T. H. S. -- industrious hours, experiencing, learning, growing -- sleepy hours, brooding over a chemistry problem -- agonizing hours, taking a stiff examination -- giddy hours, chattering with the gang -- exciting hours, cheering hoarsely for the MUSTANGS -- fun-filled hours, collecting memories. These hours have been trapped by the quickness of the camera's shutter -- they will not tick on -- they still hang suspended -- they are NOW."



We are living in a dynamic world in which change, and not stability, is the dominant characteristic. We are attempting to prepare for a life in a kind of world which no one can visualize or predict. Education is our active link with the past and the future.

The "Hi-Lite" as a school yearbook, has become a tradition and an active link with the past and the future of Hittle High School.

The school life that is portrayed is evidence of our attitudes and our ambitions. May other traditions so noteworthy continue to take precedence over school life.

John Robinson
Principal

Administration

MRS. MILDRED PAINE was our Latin teacher. She received her Bachelor's degree at Illinois State Normal University and her Master's from the University of Illinois. Mrs. Paine taught Latin I and II at HTHS and also taught at Minier.

MRS. MARILYN DETRICK substituted for Mrs. Curby as English teacher the final eight weeks of school. Mrs. Detrick received her Bachelor of Science in Education at Western Illinois University.

Except for the freshmen Mrs. Detrick was known by our students as she was our English teacher last year. She now resides in Macomb with her husband who is attending college.

MRS. IDA JANE CLARK was our Home Economics and Chemistry teacher. She received her Bachelor's degree from Eastern State College and her Master's from the University of Illinois. Mrs. Clark taught Home Economics I & II, Chemistry, Girls' Physical Education; she was FHA Advisor and co-sponsor of the Junior Class.

MISS FLORINE ELLIOTT was our business education teacher. She attended Illinois State Normal University where she received her Bachelor's and Master's Degree in Business Education. A graduate of HTHS Miss Elliott taught Typing I & II, Bookkeeping, and Shorthand; she is sponsor of the "Herald" and advisor for the "Hi-Lite."

MRS. BEVERLY CURBY was our English teacher. She received her Bachelor of Science Degree from Illinois State Normal University. Mrs. Curby taught all four English classes, directed the Junior Play, and sponsored the Freshman Class. On March 29 she was seriously injured in an automobile accident and was unable to finish the school year.

MRS. DOROTHY COLAW was our mathematics teacher. She received her Bachelor of Science Degree from Illinois State Normal University. Mrs. Colaw taught Algebra I & II, Plane Geometry, and Practical Math. She was Student Council sponsor and helped the Council have a very active year.

MR. NORMAN FINK was basketball and baseball coach, world history teacher, driver's education, and boy's physical education teacher. A graduate of Beason High School, coach received his Bachelor of Science Degree from Bradley University.

MR. JAMES D. MAPES was our band director. He graduated from H. T. H. S. and went on to Illinois College at Jacksonville then to Illinois Wesleyan at Bloomington. This was his first year teaching at H. T. H. S. and he has done an excellent job winning a Superior rating in band at the state.

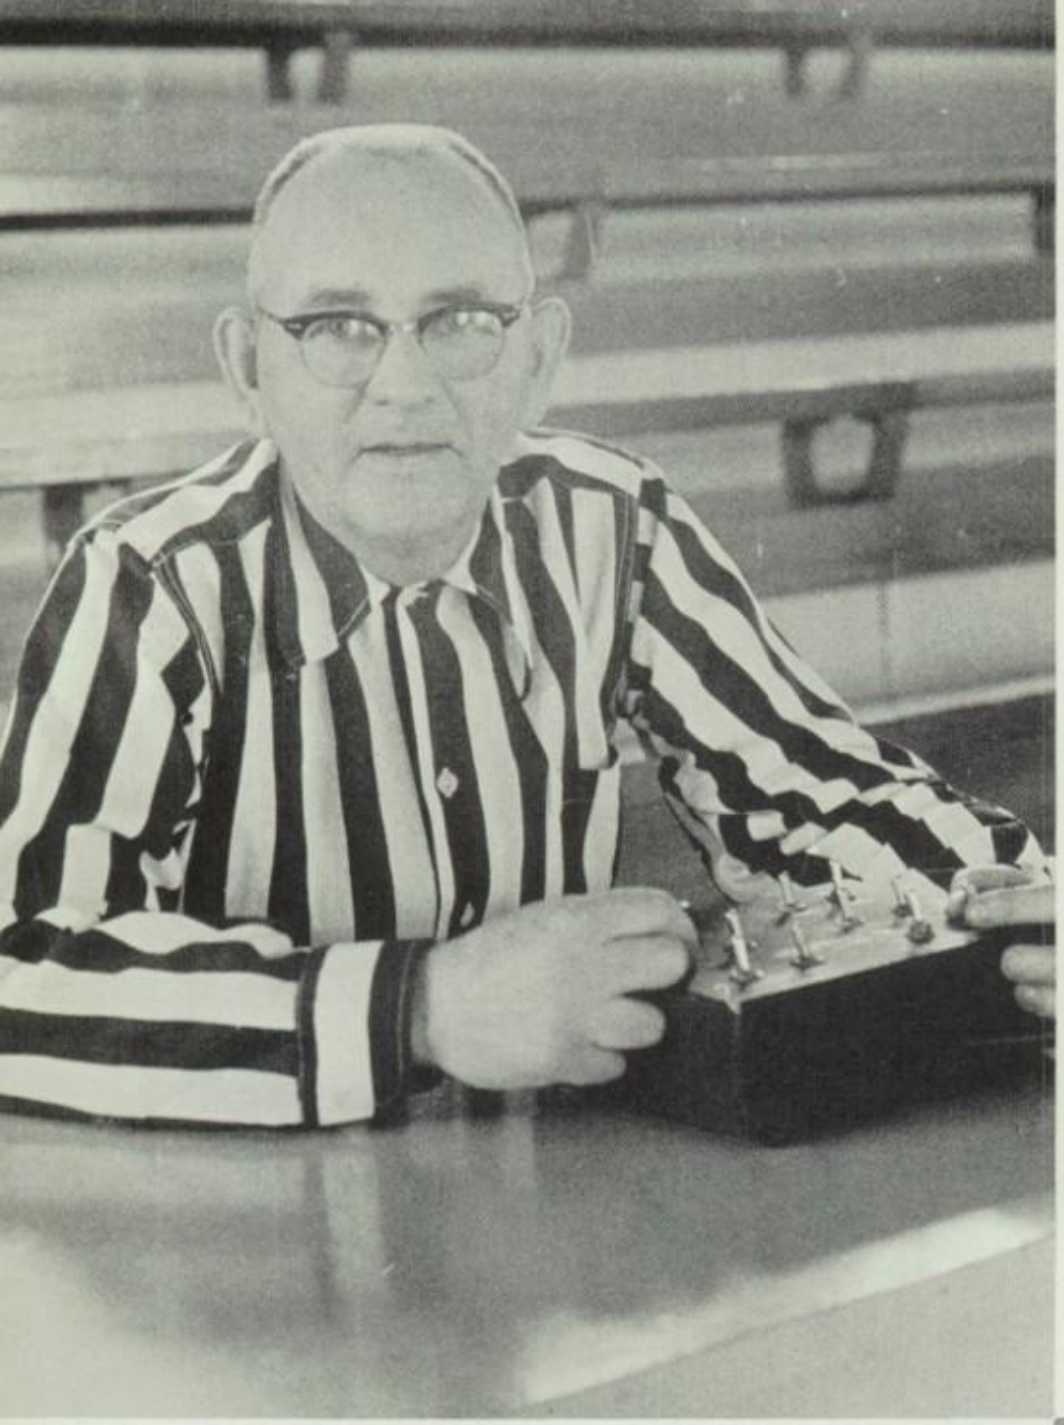
MR. CALVIN THRELKELD was our agriculture teacher and FFA advisor. He did much to further our FFA Chapter in the Section. He also taught biology and general science. He attended Southern Illinois University and received his Bachelor of Science degree from the University of Illinois. Mr. Threlkeld was co-sponsor of the Junior class.

FROM LEFT TO RIGHT: Gordon Walker, Lawrence Litwiller, President; Cleo Yontz, Dale Gaddis, Secretary; Harry Rogers, Kenneth Booth. NOT PICTURED: Homer Jeckel.

Hittle Township High School Board of Education

The Board of Education consists of seven members who hold regular meetings on the last Tuesday night of each month. This year's board consisted of two new members, Cleo Yontz and Harry Rogers, who took the places of Vernal Sutter and Clarence Williams. Four members of the Board are graduates of this High School--Homer Jeckel, Dale Gaddis, Harry Rogers, and Gordon Walker. These men have a thankless job and should be commended.

Members of the Board of Education at a regular meeting. FROM LEFT TO RIGHT: Dale Gaddis, Cleo Yontz, Harry Rogers, Lawrence Litwiller, Gordon Walker.



OUR JANITORS

PAUL BURT

Paul is our janitor at the gym. He graduated from Hittle Township High School as well as did his two children. Paul's hobby is sports, and he serves as timekeeper during the basketball season. He also managed the Armington entry in the Tri-Valley League for a number of years.

MAINTAIN OUR BUILDING

Vernon Henry, better known as Peck, is responsible for keeping the main building clean. Peck also graduated from Hittle Township High and also had a son graduate from here. He enjoys his short-wave radio as well as fishing.

"The day has begun. The halls are quiet but for the sounds echoing from the busy classrooms...the rhythm of clacking typewriters, the tempo of the band as it marches down the street...in the shop the buzzing of the saw drowning out the instructor's voice. Mingled odors are wafted through the halls...a delicious odor of chile from the kitchen...a nauseating odor of hydrogen sulfide from the laboratory...a throat burning odor of formaldehyde from the biology class. So goes our school day, enjoyably and profitably spent.

Classes

Wonders of the World Unfold Before Us

Chemistry students working on an experiment.

"Biology and general science--the boundless expanse of the inanimate universe--the wonder of life enclosed in the microscopic envelope of a cell--the awesome force unchained in a raging hurricane--the unmatched delicacy of a glistening crystal of snow--myriads of teeming plankton, all in a cup of sea water--a huge forest giant reaching for the sun for a score of centuries--the orderly work of Divine Creation--God's intelligent creature, man, one day its over overseer."

General Science learning some principles of electricity.

Biology class getting ready to dissect some insects.

Mrs. Detrick explains a grammar problem.

English Offers a Variety of Courses

Often the English department is associated only with the courses in grammar, flavored with a touch of literature. However, it is found to be more complex beneath the surface. As well as general, remedial, and college preparatory courses, this department offers courses in speech and dramatics. To be a success in any field requires a basic knowledge of English.

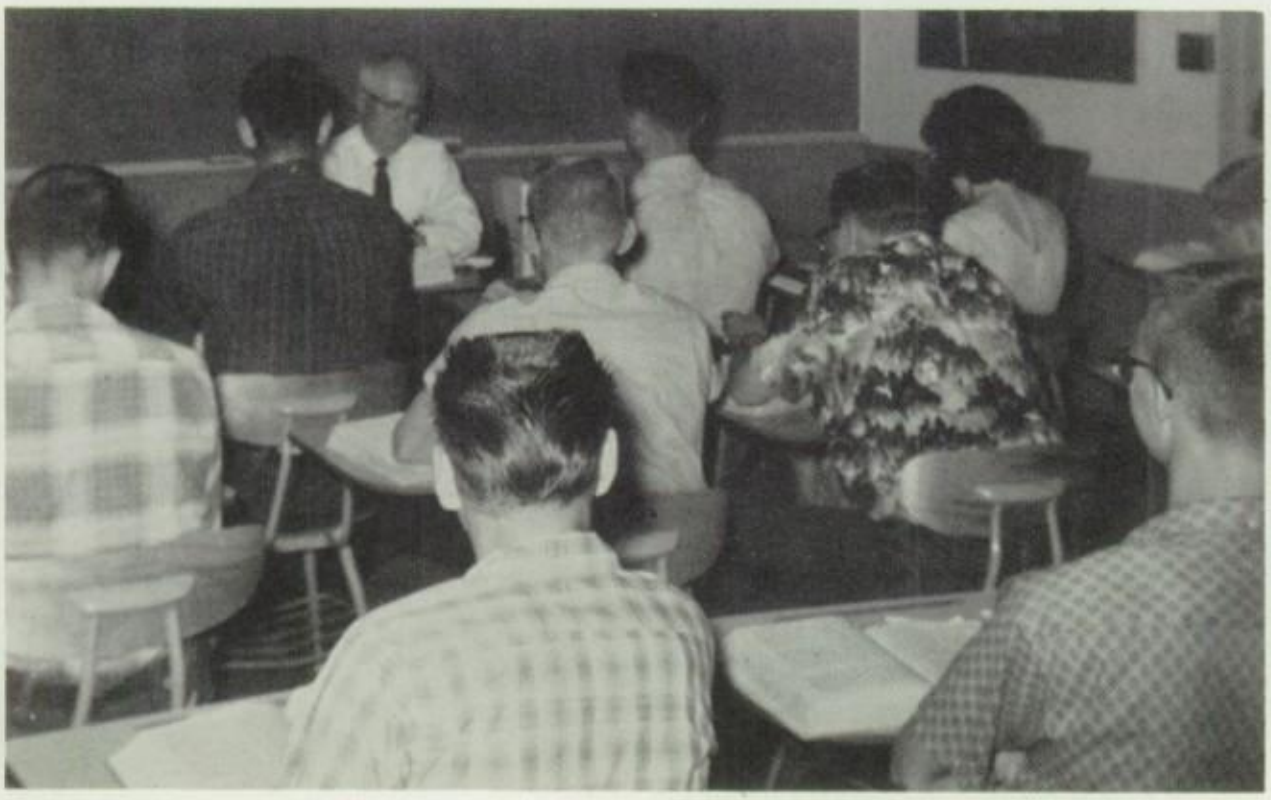
English II reciting poetry.

Mrs. Detrick explains an assignment to the English I class.

Latin Increases English Vocabulary

Latin II: L to R: Doug Oehler, Mike Hovious, Donna Mason, Jim Walker, Ina Robison, Mrs. Paine, Don Litwiller, Betty Mason, Pete McCoy.

Latin I and II students found that Latin was not only work but also fun. The students' English vocabulary was widened considerably by their knowledge of Latin. They learned to analyze the meanings of unfamiliar English words by using their Latin vocabulary. Mrs. Paine taught both classes and did a very fine job.



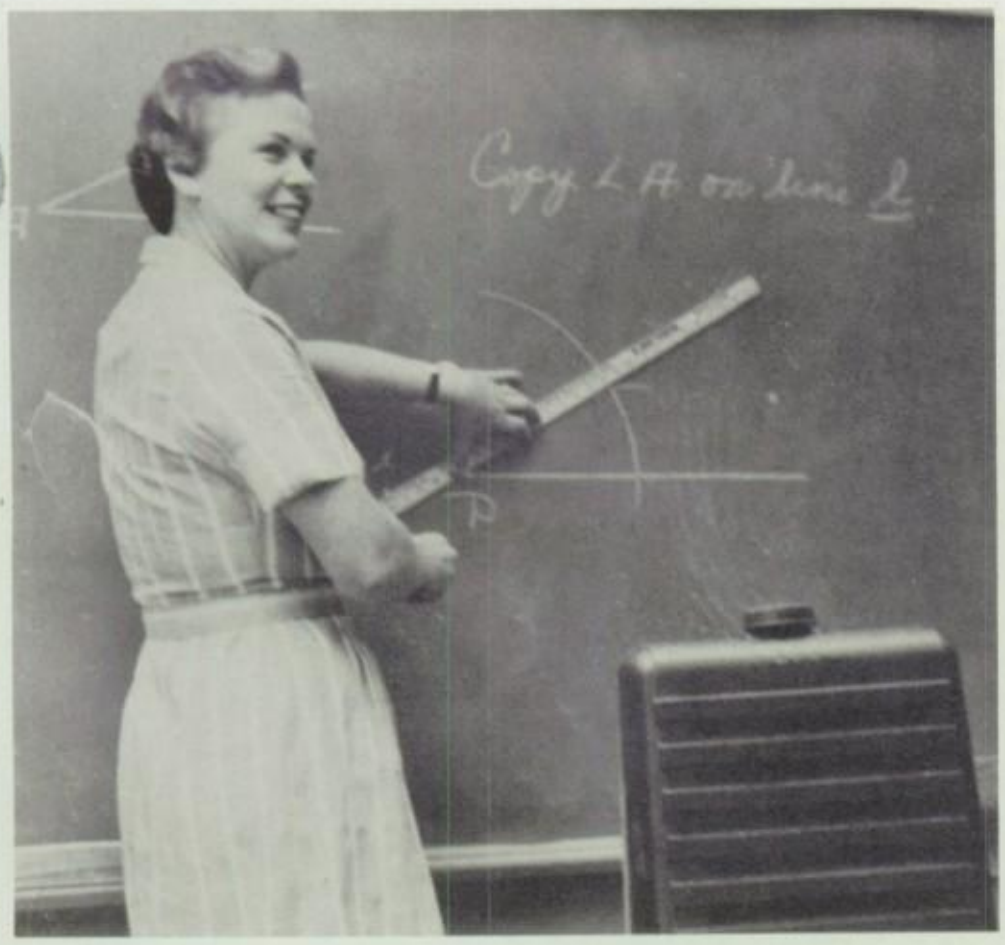
AMERICAN HISTORY

American History, a study of the origin and growth of our country, is a required junior course. Through this course, students attain a better understanding of modern America. It was capably taught by Mr. Robinson.

Mathematics Increasingly Important in Our Every Day Living

Mrs. Colaw taught Algebra I, Geometry, Practical Math, and Algebra II.

In the fall of 1961, Cheryl Hickey had the misfortune to break her leg. She was unable to attend school until spring. By means of a two-way telephone, she was able to listen in and take part in all of her classes



Mrs. Colaw is teaching with the speaker on her desk.

Cheryl listens in at home

Students Gain Security Through Knowledge of Business Subjects

"What's wrong with this typewriter?"... "Don't watch your hands!"... "This stuff looks like hieroglyphics!"... But some day we'll take reams of neat shorthand notes and we'll type our theses skillfully. Pictured here are only our typing classes, Bookkeeping, and Shorthand are also taught.

Homemaking Arts Are Many and Varied

The field of homemaking is one of our important courses. As well as learning to cook and sew, a girl can learn child care, good grooming, etiquette, meal planning and preparation, and budgeting. Mrs. Clark also offered a series of adult classes which were well attended. Many outstanding lessons were given.

Improved Home Living Is Encouraged by Future Homemakers of America

The F. H. A. sponsors many projects and activities during the school year. One of special interest is the spring style shown on these pages. This year the theme was "Gateway to the Future with Styles, Lines-Colors."

The girls modeled garments made by others, garments they had made, and garments they had purchased.

After the style show the Junior Degrees and the Chapter Degrees were presented and the officers for next year were installed.

Mrs. Ida Jane Clark, sponsor of F. H. A. and Ann Worsham, President of F. H. A. pose for a picture after the style show.

Newly elected officers for 1962-63 are:

President	Maria Miller
1st V. Pres.	Sharon Stroud
2nd V. Pres.	Kathy Booth
Secretary	Trudy Rippey
Treasurer	Sue Ann Garr
Historian	Rosann Brandt
Student Council	Karen Adams

Officers are installed for the coming year.

Junior Degrees are presented to Karen Adams, Nancy Brandt, Glenna Knobeloch, Jackie Lang, and Kathy Miller.

Chapter Degrees are presented to Sue Ann Garr, Kathy Booth, Maria Miller, Truddy Rippey, Sharon Stroud and Sue Walker.

F.H.A. Style Show

Cheryl Hickey and Sharon Stroud. Cheryl narrated the style show and Sharon modeled several outfits.

Ada Walters and Sue Walker pause by refreshment table before the style show.

Kathy Booth models dress.

Ann Worsham, presents corsages to Irene Booth, Estella Neff, Kathleen Rippey, Chapter Mothers and Mrs. Clark, Sponsor.

James Walker Receives State Championship Sheep Production Award

James Walker, of Armington, one of 13 high school Future Farmers of America members to win a state project championship, poses with his prize Suffolk ewe, "Walker 141" on his farm southwest of Armington. Walker will now enter his project against winners from 12 other states in regional competition.

His sheep have won more than 600 prizes during the past seven years, and last year Jim won the reserve grand champion carcass silver platter award. Seventeen years old, he plans to enter the University of Illinois next year.

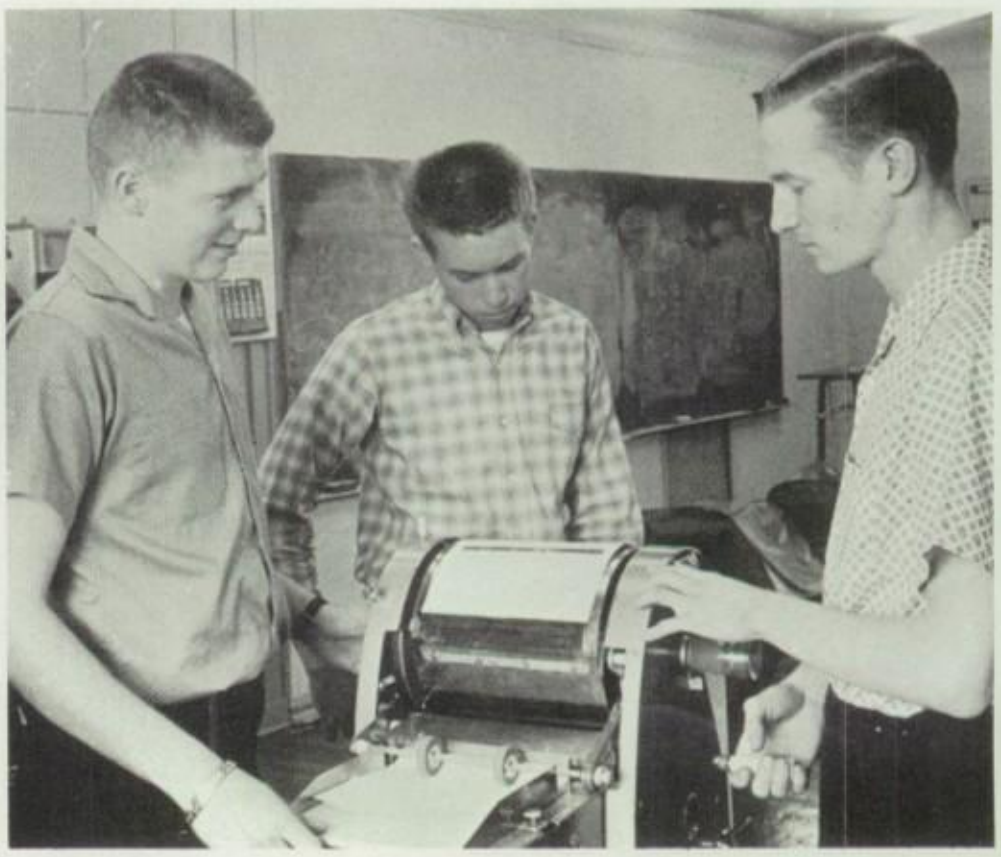
Herald Staff Records Significant Events of the Year

Sooner or later everyone finds himself involved in the great task of making the school newspaper. Tracking down each activity keeps editors busy so that the most important events at Hittle High are published. The staff is a member of the Illinois State High School Press Association and each fall at least four members of the staff attend the convention held at the University of Illinois.

Typing I publishes the April issue.



Gary, Dwayne and Fred mimeograph the papers.

It Takes a Year To Build a Yearbook

Editing a yearbook is not all peaches and cream. Trials and tribulations are many as the months slip by. Writing and rewriting copy, taking and retaking pictures, making layouts, identifying pictures, typing copy sheets... all add up to a full-time job. But when the deadline has been met we heave a sigh of relief. All our worries and problems seem to be forgotten, and we only hope our readers will feel as we do... hat the Hi-Lite of '62 is a lasting reminder of our happy high chool days.

Dick Burt, Miss Elliott and Betty Mason ponder over lay out problem.

Combined High School and Grade School Band Presents Christmas Program

COMBINED GRADE SCHOOL AND HIGH SCHOOL BAND GIVES CHRISTMAS PROGRAM

This year's band was one of the best in the school's history. Much of our success was due to the work of our capable band director, Mr. Mapes. Although we rehearsed only twice a week, we received a Superior rating in the State Band contest. This was quite an achievement in itself.

Our band also marched in many parades in this area. The big honor that we received was that of Best Playing Band in Class C and D schools in the Illinois State Normal University Homecoming parade. We also marched in the Carson Pirie, Scott Santa Claus Parade in Peoria, in the fall festival parades in Blue Mound and McLean, and the Pumpkin Festival parade in Eureka. We presented several exchange programs at other schools.

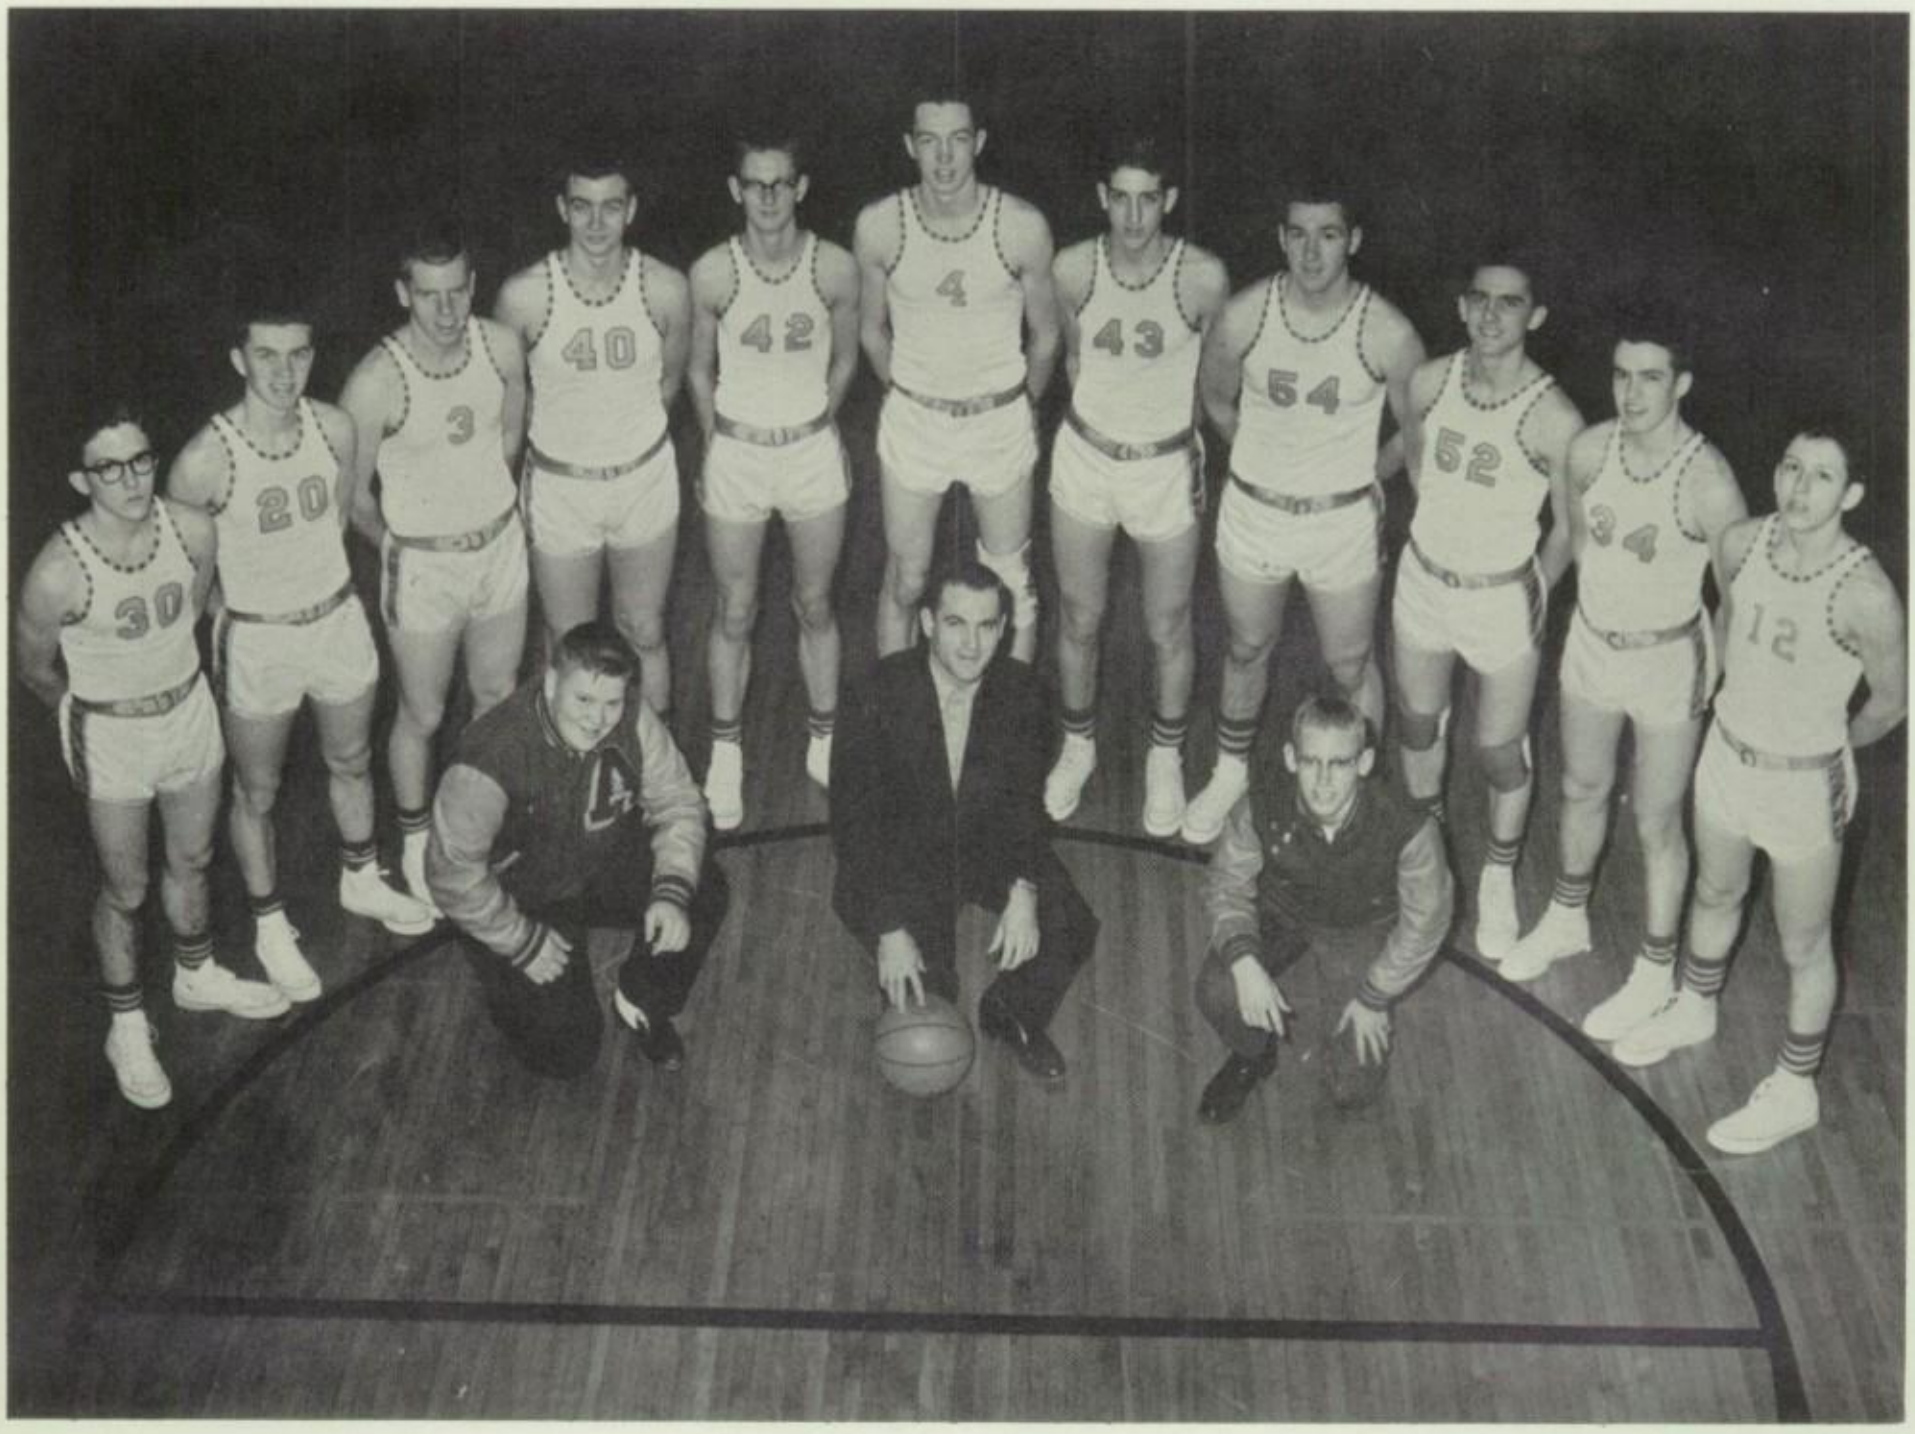
MUSTANG FANS AT THE CHAMPIONSHIP GAME OF THE TAZEWELL COUNTY TOURNAMENT

"Being crushed in a crowded gymnasium for basketball... all for the thrill in sports. Hearts of spectators pound as fiercely as those of the boys on the hardwood... strong feeling rules... loyalty to H. T. H. S. The crowds rise from the bleachers... cheers of 'Yea, team, fight!' and 'We gotta' win' fill the air. A united spirit is in every heart... School Spirit."

Sports

Mackinaw Valley Champs



STANDING: Bill Gaddis, Al Horner, Dick Burt, John Miller, Pete McCoy, Jim Walker, Don Litwiller, Bill Walters, Mike Hovious, Joe Pratt, Tom Winkler. KNEELING: Lyle Horner, Mgr., Coach Fink, Stan Schmidgall, Mgr.

For the second consecutive year the Armington Mustangs captured the Mackinaw Valley Conference Championship without a defeat. The Mustangs lost two games out of their first three, but came storming back as the season progressed, and won twenty-two out of their last twenty-five. They were a very strong defensive team, allowing opponents only 47.4 points a game, as well as scoring at a 66.6 points a game. They did very well in the tournaments this year, as they finished second in the Green Valley Holiday Tourney, as well as the County. This was the highest finish in either tournament in the school's history. The Mustangs also won the District as they gained sweet revenge on Hartsburg-Emden for an earlier loss. They then went to the Lincoln Regional where they defeated McLean before losing to Williamsville to end the best season in the school's history. Hats off to the coach and boys for a job well done.

In early fall, HTHS awakes with a start! Immediately that "lived in" feeling rolls into her corridors, accompanied by a cycle of untold activities. She witnesses gala scenes...soft lights, swishing skirts, tapping heels...those never-to-be-forgotten nights of the snake dance, junior play, basketball games...the festive spirit of Christmas. In the spring, the annual style show, the athletic banquet, F.F.A. banquet and the Co-op dance, combine to set a pace of perpetual speed and usher in the last lap of the race for time. The juniors start feverish preparations for the prom, and the seniors continue to hop "to and fro" planning last minute details of commencement activities.

Working...playing...growing...this is the boisterous life of our HTHS.

Juniors Present "The Antics of Andrew"

On November 17, 1962, the Junior Class presented Jay Tobias' "The Antics of Andrew." The three act comedy had its setting in Andy Browne's apartment in a Midwestern College town. Andy was a senior in Cameron College. He had few worries until Uncle Isaac, his millionaire uncle from New Zealand, arrived for a surprise visit. In order to keep his allowance Andy had to produce the wife he had told his uncle in letters. A very humorous situation developed when Andy's pals, Willie and Harold, poise as Andy's wife and Mother-in-law.

One big happy family???

A NEW EXPERIENCE

Our first year of high school has come to an end. Yes, it was a new experience, but yet so exciting. We'll remember how different it was having classrooms for each subject, and how we had to plan our own schedule for studying.

Our class was led by Ann Wagoner who was president. Darrel Oehler served as vice-president, while John Bossingham handled our financial status. Margaret Paine was our secretary. We had two representatives in Student Council, Gary Sutter and Kathy Wright.

Ann Worsham and James Walker receive American Legion Good Citizen Award.

Baccalaureate Services for the Senior Class were held May 21 at the Christian Church. The sermon entitled "Sowing the Seed" was given by Rev. Jack Ross, Douglas Oehler read the Scripture and Mrs. Jack Ross sang "The Lord's Prayer."

Commencement Exercises were held in the high school gymnasium on Friday night May 25. The address was given by Norman Kaye, Athletic Director of Lincoln College. Special music was played by the high school band.

It was time for tasseled caps and gowns, for proud parents and Commencement ceremonies. It was time for the class of 1962 to meet the world.

Seniors Take Three Day Trip to Chicago

Waiting for a bus in front of our hotel.

On Tuesday, May 29, nine members of the senior class and Miss Elliott left for a three day stay in the windy city of Chicago. After leaving Bloomington at 5:00 A. M. in the morning we arrived at Union Station at 8 o'clock. After checking in at the Sheraton Hotel we were free to do what we liked. Most of the boys attended the Cub's ball game while Miss Elliott and the girls did some shopping. On Wednesday evening our guided tour started with a sightseeing trip through Chicago. Some of the places that we saw were Chinatown, Skid Row, Maxwell Street, McCormick Place, State Street, and Buckingham Fountain. On Thursday morning we went to Museum of Science and Industry, the Planetarium, and Field Museum. After dinner we went on an enjoyable boat ride on Lake Michigan. At 8:40 P. M. we boarded the Gulf Mobile and Ohio train and headed for home. We were met at the train station in Bloomington at 11:40 by our parents, a tired but happy group.

Sitting in front of Museum of Science and Industry waiting for it to open.

The cruiser that we went on in Lake Michigan.
